465 ENTRIES X \$5 = \$2325 TOTAL

1ST PLACE = \$500 (up to \$685), 2ND PLACE= \$400, 3RD PLACE= \$300, 4TH PLACE =250

5TH PLACE = \$200 6TH PLACE = \$180, 7TH PLACE = \$160, 8TH PLACE = \$150

Note1: The extra \$185 will first be used to bump up any amounts less than \$100

(due to ties for the last paying position) to as close to \$100 as possible.

This is done because I try to have the mimimun payout to be at least \$100.

Any remaining amount will be added to the 1st place payout.
